## Members First Credit Union of FL Recognized by DepositAccounts.com in the 2019 Top 200 Healthiest Credit Unions in America

Pensacola, FL May 22, 2019 – DepositAccounts.com has released its list of the 2019 Top 200 Healthiest Credit Unions in America.

DepositAccounts.com evaluates the financial health of banks and credit unions in the United States once per quarter. To determine ranking and recognition, DepositAccounts.com grades each institution on several factors, including capitalization, deposit growth, and loan-reserve ratios. Members First scored an A+ and ranked #178 out of more than 5,000 federally insured credit unions evaluated, placing the credit union in the Top 200.

“It is such an honor to have Members First Credit Union recognized among the Top 200 healthiest credit unions in America,” said Members First CEO/President, Caryl Greene. “Being part of this list further solidifies our commitment to excellence and stability for our members.”
